PRACTICE

Barrister with a significant interest in technology and developing markets. Analissa's areas of competence include litigation and company management, legal/business research and interpretation, and counselling clients on a wide range of challenges. Analissa appreciates coming up with new innovative solutions and developing practical remedies to wide-ranging challenges. Patient and confident in the courtroom, leveraging excellent argumentative techniques to boost case success.

AREAS OF EXPERTISE

Analissa is instructed in a variety of different areas of law including:

- Employment Law Litigation
- Employment Contracts
- Company Law Litigation
- Family Law Litigation
- Litigation Management
- Court of Appeal Litigation
- Federal Court Litigation
- Criminal Court Remands
- Criminal Court Litigation
- Legal Operations.

SIGNIFICANT CASES

- Lawyer overseeing the agreements made between the Sarawak Government's Housing Development Corporation and Individuals being relocated from their native 'kampung' (village).
- Co- counsel in a company case wherein the Court of Appeal considered whether a director of a company in liquidation required the court's leave in order to compel a court appointed liquidator to perform their statutory duty, and held that the court's leave was not required.
- Junior Defence Counsel where the Federal Court decided that there was no direct evidence linking the accused to the abetment and murder of the deceased and that even though the evidence put forward by the prosecution risked a suspicion that the accused was involved, the suspicion is not evidence and cannot be named a basis for conviction.
- A volunteer lawyer in the Malaysian government program representing citizens that are unable to afford legal representation for matters such as police remand applications and bail applications.
